Speaker : Rajeev Bhalerao
Topic : Stress Tensor and Bulk Viscosity
in Relativistic Nuclear Collisions
Day, Date & Time : Thursday, August 14, 2008
at 2:30 p.m.
Place : AG 69

Abstract

After a brief introduction to the subject, I will discuss the recent paper by R J Fries, B Muller and A Schafer (arXiv:0807.4333).
