

Jawaharlal Nehru Post-doctoral Visiting Scientists Scheme

A prestigious new post-doctoral fellowship scheme called “Jawaharlal Nehru Post-doctoral Visiting Scientists Scheme” has been initiated to mark the Golden Jubilee of the inauguration of the Mumbai main campus of TIFR in 1962 by Pandit Jawaharlal Nehru.

Applications are invited under this scheme from young scientists of exceptional intellectual calibre.

- The fellowship is fixed at a high level in the range Rs. 55,000 – 75,000 (consolidated, in addition to HRA as per rules) depending on the qualification and post-doctoral experience.
- The scheme is applicable to the candidates with at least one year of post-doctoral experience. It is meant for those who do not have a position elsewhere at the time of joining the Institute.
- A recommendation made after rigorous peer review process by a particular Faculty will be considered by a special committee chaired by the Director.
- The maximum number of such fellowships that may be operated at any point of times is 12 for the entire Institute. There is no quota for any faculty.
- The appointment will be made initially for a year, and may be renewed for one more year.
- Medical, vacation and leave benefits, as applicable to postdoctoral fellows of the Institute will apply.

Interested candidates should apply through any regular faculty member of the institute.
